

Road to Global Democracy

1795 - Immanuel Kant
Perpetual Peace
imagining global
democracy

1889 - International Peace
Union 1889

1907 - Hague Convention

1920 - League of Nations
Organisation with
purpose of maintaining
world peace.

1920 to 1947 - Einstein
advocates world
government as logical

1945 - United Nations
primary object world
peace also promoting
international economic
development. Many
agencies includes World
Bank (est 1945), World
Food Program (est 1963),
and World Health
Organisation (est 1964)

1947 - World Federalist
Movement (early groups
calling for a world
government)

1990's - Internet world
wide web connects
people world wide

2003

Monbiot - everything
has gone global
except our consent.
Democracy alone
has been confined to
the nation state.

2008 - Archbugi,
McDonald, Marchetti
global governance
requires new ways of
thinking

2007 - Campaign for
Establishment of a United
Nations Parliaments
Assembly - recent
groups calling for world
parliament - within the
structure of the United
Nations
